The whole world, this crazy world
is only a dream
A fiction, of your fantasy
in your dreams you may 've seen

C/D/A

Fly bluebird fly
Fly bluebird fly
Fly loneliness fly
Die loneliness die

I hope you 'll agree
that we 're worth the try
My dreams are full of love
and pictures of you

Fly ...

You 've the key in your hand
you can open me
You 're a good answer
of all those lonely days

Fly ...

I love you, I need you
come to my side
My patience, my inspiration
are only here for you

Fly ...
