

I want to survive

(Text: Deutsch, Musik: Deutsch)

D/F/C/D

It's a matter of fact that we're living in a world
which is signed by war

It's a matter of fact that all are
searching for love for sure

I'm tired of hearing their voices

I'm tired of hearing their lies

I want to survive

For we use the words so worthless
they don't mean a thing

And we sell our minds and bodies
If money they can bring

Sometimes I, I hate to be alive

Sometimes I, I need to change my life

I want to live free

I don't want to sell my dreams
and wishes to your industry

I don't want to lose my freedom
for your dirty happiness

I want to, I want to, I want to hold on

I want to, I want to, I want to dream on

I want to feel free
