

# The girl about 18

(Text: Deutsch, Musik: Deutsch)

She's a girl about 18  
Singin' babana ...  
She's the girl you should have seen  
Singin' babana ...  
Her eyes are like fire  
Singin' babana ...  
One look pushes me higher  
Singin' ba ...

**About her soul, about her mind  
About all the things she keeps  
Please don't think I don't feel it inside  
In my dreams I've kissed her lips**

She's the girl about 18  
Singing babana ...  
She's the one in my dreams  
Singin' babana ...  
Please lord hear my prayer  
Singin' babana ...  
I only want to say her  
Singin' babana ...

**About her soul ...**
