

Try it

(lyrics: Deutsch, music: Deutsch)

Am/Am7/G/Am

I thought I love her
I thought it in every bone of me
but no one was there
who recalls my calls

All those silly things
I have made for that girl
I would never try
such a thing

Refrain:

G F C

Try it, try it again
Try it, try it again

So I wrote her
Greetings on a postcard
She wrote me back
with no effect

With hopeness
I went to her, went to her family
and heard she loves her friend
always, always, always

Refrain:
